

**EDUCATION & PREVENTION
COORDINATOR
Full-Time Position
(12-month Contract with possibility of extension)**

The stakeholders of AIDS Saskatoon are looking for a progressive, dynamic and creative individual to fill the position of Education & Prevention Coordinator. This position oversees our community education and prevention programming.

The successful applicant will:

- be exceptionally comfortable discussing and addressing issues relating to sexual health, drug use, and other topics with diverse individuals and communities;
- be able to think on his/her feet;
- have well-developed presentation and workshop development skills;
- possess a wide range of knowledge about HIV/AIDS, Hepatitis, sexual health, and related issues;
- embrace planning, decision making and evaluation processes which engage our target populations in an inclusive way;
- thrive in a collective and collaborative work environment;
- be available to travel throughout the province and to work on a flextime basis;
- possess a valid Driver's License;

AIDS Saskatoon respects the value that diversity brings to our workplace. Persons living with HIV/AIDS, or people who belong to a minority group are encouraged to apply. All applications will be kept confidential. For a complete job description, please visit our website at www.aidssaskatoon.ca or contact Nicole White at 242-5005 or admin@aidssaskatoon.ca.

**Interested applicants please submit resume with references and cover letter
by 4:00pm on Tuesday, October 13, 2009.**
